GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The mission "to achieve student centric environment for educational, cultural, intellectual and social development of student" is fully concentrated and achieved by the coordination of management and staff in this academic year.

Vision of the ASC College badnapur is "educating student to overcome every challenge in personal, professional and social life for the betterment of society".Its high morals and values are reflected in its policy of welcoming staff as well as students from all strata of society.

The Management always encourages and support the involvement of the staff in the quality assurance, enhancement and developmental activities of the College by being members of bodies such as IQAC, LMC,HODs,etc.

The Management leads the Principal and staff, towards the fulfilment of the stated mission and vision of the college. The Management and IQAC meetings in a year for discussion, policy making and itsimplementation based on feedback received from various stakeholders. The Management has been proactive in

extending all guidance, support and cooperation after the outbreak of the COVID-19 pandemic. Webinars on various relevant issues have been encouraged and promoted by the Management. Management has also provided support of infrastructure for online teaching and ICT development.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The management of the institution in consultation with the Principal provides leadership and adopt management in all academic and institutional practices. The Principal guideon all academic matters through the Heads of Departments. In this way, all faculties of the departments get to play a role in decision-making and participative management of their respective departments. In this regard various commitees covering almost all aspects were prepared. The inclusion of facultyin the commitee enables the faculty members to participate in different academic deliberations and often play a role in decision-making. University examinations are conducted bythe institution through committees set up for the purpose and here too responsibility and leadership is delegated to the faculty members, e.g., exam-in-charge areappointed on a rotational basis and they are responsible for the smooth conduct of each set of examinations. Due to cope of Covid-19 online examinations were conducted by the university, the management prepared a commitee to guide and reduce the confusion of the students, each member of commitee worked hard and completed the examination process hasslefree. Participative management and decentralization are also evident in the shuffling of committee members which ensures that faculty members play an active role in different committees during their tenure. The entire process of participation and decentralization is co-ordinated by the management and Principal.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Following aspects were adopted and effectively deployed

Admission process: To avoid hurdles in admission due to Covid-19 pandemic, online admission and exam form filling process was implemented. The Management planned the process of admission through admission committee, it is found that the process of online admission and online exam form filling was found to be fruitful.

Online classes and guidance: Due to second lock down announced by authorities like government and university, Management and Principal decided to conduct online classes as per timetable. All the staff member followed the decision and started online classes in the form of google classroom. Material like online google meet link, videos, PPT's, PDF, doc files etc were uploaded. Maximum number of students benefited through these online classes and materials.

Examination and Evaluation: As the cope of Covid-19 online platforms are used for semester end examinations. MKCL conducts the examination. The exam is conducted for all Bachelors and Masters programmes, For semester end examinations and evaluations, each course of study, credited or non-credited, taught or field related, or research project, are assessed through various processes viz. class presentations, group discussions, reports or dissertations, faculty assessment of class participation, written assignments, reflective journals or fieldwork reports, observation by faculty, with prescribed weightages, as per a pre-defined schedule, which is provided at the

commencement of a semester. These may involve individual or group work.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The organizational structure of the College facilitates its smooth functioning. The Governing Council is the policy making body. The overall supervision of the College comes under its purview. After discussion, it decides the academic policy keeping in view the national policies in higher education, existing priorities and local needs. Regular feedback obtained from the alumni, students, parents and faculty along with suggestions of NAAC peer team form the major inputs for the planning. These inputs are discussed and analyzed by the Governing Council, the Principal, IQAC, and CDC. The planning and infrastructural development is decided by the Head of the institution in consultation with the Governing Council. The plans proposed are discussed by the respective Cells and committees, fine-tuned as per needs and then finalized. Financial implications and possible hurdles are thoroughly looked into and taken care of before finalizing any plan. The Principal, Heads of Departments, committee / cell in-charges and office staff, monitor and work together for the effective implementation of these policies.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The management of the institution in consultation with the Principal provides leadership and adopt management in all academic and institutional practices. The Principal guideon all academic matters through the Heads of Departments. In this way, all faculties of the departments get to play a role in decision-making and participative management of their respective departments. In this regard various commitees covering almost all aspects were prepared. The inclusion of facultyin the commitee enables the faculty members to participate in different academic deliberations and often play a role in decision-making. University examinations are conducted bythe institution through committees set up for the purpose and here too responsibility and leadership is delegated to the faculty members, e.g., exam-in-charge areappointed on a rotational basis and they are responsible for the smooth conduct of each set of examinations. Due to cope of Covid-19 online examinations were conducted by the university, the management prepared a commitee to guide and reduce the confusion of the students, each member of commitee worked hard and completed the examination process hasslefree. Participative management and decentralization are also evident in the shuffling of committee members which ensures that faculty members play an active role in different committees during their tenure. The entire process of participation and decentralization is co-ordinated by the management and Principal.
